OptionsCity Clients Trade on the Minneapolis Grain Exchange

Chicago, June 22, 2009 – OptionsCity is pleased to announce that Minneapolis based clients, will begin trading on the Minneapolis Grain Exchange beginning this month. The new clients will be trading Soft Red Winter Wheat.

OptionsCity Metro software is now used in Chicago, New York and Minneapolis. Adding the Minneapolis Grain Exchange to OptionsCity's diverse group of users, who trade a variety of products, proves how adaptable OptionsCity Metro truly is.

"We consider the addition of the Minneapolis Grain Exchange to be a nice expansion. It has been our plan to expand our product range and the exchanges we are represented on." said Steve Kosanovich, VP Sales of OptionsCity.

The OptionsCity team dedicates itself to serving traders, offering a flexible solution which not only caters to their changing needs but also empowers them, using intuitive tools, to trade effectively.

OptionsCity is a certified ISV (Independent Software Vendor) on the CBOE, CFE, CBSX, CBOT, CME and NYMEX.
