OptionsCity Presents at the 25th Annual FIA Expo

Chicago, October 23, 2009 - OptionsCity Software, Inc. presented at the 25th Annual Futures and Options Expo held on October 21 – 22 at the Hilton Chicago. The Futures and Options Expo is the largest Futures event in the world held for market professionals and participants.

"The Futures and Options Expo is a great event for us and one we look forward to every year. We got the opportunity to network with members from different sectors of the industry, as well as current and potential clients. We were able to demonstrate what OptionsCity is capable of to institutional traders, broker-dealers, market-makers and much more and our booth caught attention," said Steve Kosanovich, VP Sales of OptionsCity.

The Futures and Options Expo is a premier event hosted by the Futures Industry Association. Over 4,500 representatives from all over the globe attended and more than 120 companies participated. Participants were given the opportunity to showcase their products, services and information for all attendees which included risk management products, trading tools, books and exchange and technology products. In addition, participants attended sessions and discussed industry trends and also received expert opinions on other key topics.

OptionsCity Metro is a fully configurable electronic trading platform that creates a distinctive edge by enabling options traders to have full control over trading, safety and risk management. This state-of-the-art solution enables traders to leverage their trading knowledge and expertise into increased profits. OptionsCity helps to automate the market making and trading strategies while the innovative graphical representation and framework allows traders to expand their trading portfolio with minimum additional people.

OptionsCity is a certified ISV (Independent Software Vendor) on the CME, CBOT, CBOE, CFE, CBSX, NYMEX and ICE. To find out more about OptionsCityTM Metro contact us on (312) 635-1750 or e-mail us at info@Optionscity.com
